

First Crush Winery 2015-16 Coop Wine Reserve

Answer yes to all three of the following questions,... and you qualify as a perfect Coop member candidate!

1. I really like First Crush Winery wines.
2. I want to save a minimum of \$45.00 per 12 bottle case.
3. I am able to arrange, or to be on Cape Cod once yearly, to pick up my reserved wine.

In short, the Coop is like purchasing wine futures at a meaningful discount,... **only better**. First of all, there is no membership fee to join. The concept is unique in that 50% of our 30,000 bottle wine production is reserved by its Coop members annually by simply placing a deposit to reserve our wines. Also, if members desire, they can participate in the primary stages of making the wine that will ultimately be their own. Members receive ongoing enology education, attend seasonal social events at the winery and can bring guests to the winery for tastings and tours. **To Join: Members reserve a desired # of cases with a 50% deposit.**
