Coop	# of Cases Reserved	12 Bottle Reserve Case Price	Initial 50% Reserve Deposit
<b>Level 1</b> (Common)	2 Cases	\$210. per Case / \$17.50 / bottle	<b>\$210.</b>
<b>Level 2</b> (Best Value)	3-9 Cases	\$200. per Case / \$16.66 / bottle	<b>\$100. x # Cases</b>
<b>Level 3</b> (Huge Family)	10 or more Cases	\$190. per Case / \$15.83 / bottle	<b>\$95. x # Cases</b>

It is common that a new member with a two case reserve takes one of their cases at signup. If so, they will pay \$210.00 for their first case, and pay 50% of the balance on their last case. Thus, they will pay \$210.00 + \$105.00, leaving a balance of \$105.00 on their second case.
